

MEETING MINUTES OF THE OWLS HEAD PLANNING BOARD

Place: Owls Head Town Office

Date: March 14, 2012

Time: 7:40 PM

Attending: Richard Benner
Bill Leppanen
Dale Martin

Scott Bickford, Code Enforcement Officer

1: Meeting was opened late as we didn't know if anyone else would make the meeting. Upon opening the meeting it was decided, because so few members could make the meeting, there was no business before the board that required action at the current board meeting. We would only look at the proposed changes to the zoning ordinances, but postpone any changes until future meeting when the full board could be present.

2: Meeting was adjourned at 8:30 pm.
